

Project Overview

As of April 11, 2012

Current conditions on Hudson Street, east of Joyce Avenue

Joyce Avenue - Phase 1

Description and Benefits: Project will improve and update Joyce Avenue between Kenmore Road and Hudson Street as well as Hudson from Cleveland to Parkwood avenues. Improvements include curbs, gutters, Operations SAFEWALKS sidewalks, *Americans with Disabilities Act*-compliant curb ramps, shared-use path for bicyclists and pedestrians, improved signals and signage, new water line, storm system, street lighting and landscaping. The finished work will provide safer pedestrian and traffic accommodations, improve roadway appearance, add drainage facilities and encourage redevelopment in the corridor.

Schedule:

Design completed February 2011, utility relocation to be completed March 2012, right-of-way acquisition completed December 2010, construction starts April 16, 2012.

Costs:

Design, right-of-way acquisition, utility relocation	\$1,228,000
Construction and inspections	\$11,727,000
